Reveals Top-Rated Building, Remodeling and Design Professionals***

Palo Alto, CA, February 4, 2014 – Ecostruct LLC of Brooklyn, NY has been awarded “Best Of Houzz” by Houzz, the leading platform for home remodeling and design. The up and coming sustainable design/build firm was chosen by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners’ work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, [iPad/iPhone app](#) and [Android app](#). Winners will receive a “Best Of Houzz 2014” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.
