

**ECOSTRUCT LLC of BROOKLYN, NY Receives  
Best Of Houzz 2015 Award**

***Over 25 Million Monthly Unique Users Rated Top-Rated Home Building,  
Remodeling and Design Professionals in the United States and Around the World***

**Palo Alto, CA, January 24, 2015** – Ecostruct LLC of Brooklyn, NY has been awarded “Best Of Houzz” for Design & Customer Satisfaction by [Houzz](#), the leading platform for home remodeling and design. The Passive House certified sustainable design/build firm was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014. Winners will receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

***"We are thrilled to have received these accolades for our second year in a row. Significant effort was put in on all fronts this past year to further develop our market presence and maintain and build our client relationships. It is clear that the team's hard work has paid off. We are looking forward to a stellar 2015!"***

***-Jonathan Eklund, Owner***

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize **Ecostruct LLC** among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
